For 12 months the author Anabel Kindersley and her photographer husband, Barnabas, traveled around the world, meeting children and talking to them about the celebrations and festivals they enjoy: New Year in Hong Kong, Diwali in India or Carnival in Rio! Published in association with UNICEF, the United Nations Children's Fund.

WISDOM OF THE SEASONS

Olsen, Charles M.

The Alban Institute, 2009

BOOK

The church year is often seen as a framework for church programs, but well-known Alban author Charles Olsen shows readers how it can be a prism through which congregations more deeply understand their own stories. By weaving together our narratives and those of Christian tradition, a congregation can clarify its identity, grow in wisdom, and discover a new vision for ministry.
